Job title: Physical Performance Coach (RTC U9s – U16s)

Department: Women’s Academy Department

Hours of work: Variable hours (flexible working hours including afternoons, evenings & weekends)

Contract Type: Fixed Term Contract until 30 June 2023

Salary: £16.80 per hour

Location: Bodymoor Heath Training Ground

Closing Date: Friday 30 September 2022

Interview Date: Week commencing Monday 10 October 2022

1. The Department

Our Aston Villa Women's Football Team and pathway has grown significantly over the last 3 seasons. To support this growth, we are now focusing our efforts to ensure our Women's Academy and Girl's Regional Talent Club have the right people in the right roles to help us in delivering our ambitious plans for nurturing, encouraging and developing talent within our Women and Girls youth structure.

We now are looking for a self-motivated, forward-thinking, and proactive individual to join our Women’s Academy as a Physical Performance Coach.

2. The Role

Working at our Bodymoor Heath Training Ground, the successful candidate will be responsible for delivery and programming of the sports science and strength and conditioning provisions across our RTC. Working closely with our WSL Academy physical performance-lead to ensure a clear alignment of the pathway and high standards of coaching are applied as appropriate.

For further information please see the Role Profile.

3. The Person

The successful candidate will hold a BSc or MSc in Sports Science, Strength and Conditioning or similar and be UKSCA ASCC accredited, or currently working towards this qualification.

You must be able to demonstrate a detailed knowledge of sports science and strength and conditioning, with previous experience of working with elite youth athletes. The successful candidate will need the ability to perform physical testing at regular points throughout the season, in addition to monitoring and assessing activities to construct profiles and log adaptation to training stimulus.

You will also need to be able to work effectively within a multidisciplinary team to provide an integrated approach to performance enhancement. An essential part of this role is to ensure that the delivery of strength and conditioning services effectively delivers and meets its commitments to the players and coaches.
As part of your application, please ensure you upload your CV and Cover Letter.
