Job Title: First Team Performance Analyst
Reports to: Head of Football Operations
Location: Bloomfield Road, Blackpool (with travel to the training venue)
Hours: 40 per week – to include weekends & match days
Salary: Competitive (Depending on Experience)

Who we are:

Blackpool Football Club is an English professional association football club based in the seaside town of Blackpool, Lancashire.

The club was founded in 1887 and has a very storied history, from being a founding member of the Lancashire League in 1889, rising to the Top-Flight of the Football League (the old First Division) in 1930, to winning the FA Cup in 1953 and being promoted to the Premier League in 2010 (becoming the first club to gain promotion from every division of the Football League via the play-off system.)

The team are competing in the Championship, the second tier of the English Football League, having gained promotion from League One in 2020-21.

The club have played their home games at Bloomfield Road since 1901.

About the role:

Blackpool Football Club are looking for a talented individual to join our First Team Performance Analysis department to analyse player’s performance and identify patterns and trends to inform the coaching process.

The successful candidate will provide detailed pre and post-match analysis for direct use by the Head Coach and coaching staff including live match day analysis support and collaborating with all other staff to ensure the highest possible standards of performance analysis provision throughout the Football Club.

The position is full-time, with working hours being flexible around the needs of the club and include evening and weekend work, and special events as required.
You will be expected to undertake any specific training or Continued Professional Development to maintain your up-to-date knowledge and qualifications, and / or as organised by the club.

**Key Responsibilities and Duties:**

- Help to drive the club’s performance analysis provision.
- Support the process of opposition analysis with specific tasks to help players and staff be best prepared.
- Set up and ensure a live touchline video solution allows for the tactical, technical, and medical review of instances live during all first-team games.
- Wherever necessary support insights with video, data, or tactical experiences.
- Assist with set piece analysis, databasing and the researching of best practice for set pieces.
- Set up and carry out an insightful and consistent post-match process reviewing games with the staff and creating presentations to show the players.
- Filming and coding of training sessions to aid with pre-match preparations.
- Ensure the Head Coach, coaching staff, support staff and players are supported with the appropriate resources to aid performance.
- Distribute match footage in the most efficient and accessible form to allow players, coaches, and analysts to conduct analysis immediately following each first-team game.
- Collate all resources into engaging and concise forms of presentation, according to delivery methods required by the coaching staff.
- Editing of video where required, to enhance the portrayal of key messages and aid in the delivery.
- Attend all Blackpool FC fixtures, home and away, to support the performance analysis provision.
- Deliver an exceptionally high standard of work in a pressurised environment with tight deadlines.
- Facilitate other matchday analysis workflows to aid and improve performance in the pre-match, half-time, and post-match meetings.
- Ensure all historical and previous resources are databased and stored effectively and made accessible where required.

The above job description is not intended to be exhaustive; the duties and responsibilities may therefore vary over time according to the changing needs of the Club.
