

Grimsby Town Football Club Academy are inviting applications for the following post:
Senior Physiotherapist.

The Role:

To be responsible for the development and implementation of the treatment and rehabilitation of injuries programme for the Foundation (u9-u11's), Youth (u12-u16's) and Professional Development Phases (u18's-u21's) in line with the Club's overall strategy for developing elite players in line with the EPPP.

The successful applicant will meet the minimum qualification and clearance requirements (*BSc in Physiotherapy, Chartered Society of Physiotherapist (CSP) registered, Health and Care Professions Council (HCPC) registered, FA Intermediate Trauma Medical Management in Football (ITMMiF), FA Safeguarding Children's Certification, Disclosure and Barring Service (DBS) check.*

The applicant must be hard working, committed, enthusiastic and willing to work unsocial hours that include evenings and weekends. They will possess strong communication skills and have the ability to liaise with all levels of personnel associated with a professional Football Club. The successful applicant will be outgoing, approachable, personable, presentable and professional in all aspects of their work.

How to apply: To apply please complete and submit the online application form.
