

Head of Academy Performance Analysis

We are looking for a Head of Academy Performance Analysis to lead and co-ordinate performance analysis at our Category 1 Academy.

Reporting to our Head of Performance Analysis and working closely with our Academy Manager and multi-disciplinary team, this is a fantastic opportunity for the right candidate.

You'll need a relevant degree in a sports related discipline, and an FA Level 2 Coaching badge as a minimum, as well as high levels of energy and the flexibility and resilience that our sport demands.

We're looking for someone who has a minimum of three years' experience working within an elite sporting environment as a Performance Analyst at First Team or Category 1/2 level who can support our coaches and players to monitor and track development using video as well as objective and subjective data.

With a salary range of £25-30k dependent on experience and an employee bonus scheme, this is a fantastic and immediately available opportunity to join our Newcastle United family.

You can find a full job description and information on how to apply on our website:
