

Academy Part-Time Therapist

Job Description

Title:	Academy Part-Time Therapist
Department:	Academy Sports Science and Medicine Department
Location:	OUFC Training Complex, Roman Way, Oxford, OX33 1RT
Type of Role:	Part-time (sessional)
Accountable to:	Head of Academy Medical Services
Reports to:	Head of Academy Medical Services

Oxford United Boys Academy are looking to add to their already excellent team of part-time medical staff with the addition of a new part-time therapist to work within our U7-U16 programme. There is also the potential for this role to become full-time in line with the continued growth of the Academy as we strive to achieve Category Two status.

Oxford United Football Club is an equal opportunities employer and welcomes applications from all parts of society. As a club we are committed to equality of opportunity within our own organisation and encourage a similar commitment to inclusion from every organisation we have contact with.

BAME Declaration

The EFL and Premier League have introduced positive action measures aimed at tackling the underrepresentation of coaches, managers and staff from Black, Asian and Minority Ethnic (BAME) backgrounds within professional football. Here at Oxford United we are committed to exceeding these new requirements and, as a result, will shortlist at least one suitably qualified BAME candidate (where an application has been received) for all full-time roles within our Academy.

All candidates will be required to provide proof of all relevant certificates and qualifications and this post will also be subject to an enhanced disclosure from the Disclosure and Barring Service.

Applications should be made by email to the Head of Academy Medical Services, Andrew Caton on acaton@oufc.co.uk before **17:00 on Friday 8th August 2020** and should include:

- An up-to-date CV including details of all relevant qualifications and experience.
- Details of two references.

Please see the attached Job Description for further details regarding this role.

Academy Part-Time Therapist

Job Description

Main purpose of role

To carry out midweek evening training and weekend matchday pitch side medical cover for all OUFC academy home and away games, as designated by the department and in line with the Elite Player Performance Plan (EPPP).

Key responsibilities

Mid-week evening training

- Arrive at least 15 minutes before session scheduled start time.
- To provide pitch side medical cover and injury rehabilitation for all Academy players as dictated by Head of Academy Medical Services.
- Ensure all medical emergency equipment is checked and placed in the designated position pitch side.
- To carry out any pre-session assessments for Academy players, as and when required.
- To implement required first aid/acute injury management during training as required in line with Academy and ITMMiF first aid trauma guidelines.
- To assess and treat any injuries during sessions ensuring an evidence-based rehabilitation plan is in place for each injured player.
- To communicate player injury, treatment details and follow up plan to the players parent and coach.
- To ensure a thorough and detailed handover is sent to the Head of Academy Medical Services upon completion of training.
- To complete and send medical notes to the Head of Academy Medical Services in line with HCPC and CSP guidelines within 24 hours of interventions.

Weekend match cover

- Arrive at least 90 minutes before kick-off.
 - To provide pitch side medical cover for all Academy home and away games as dictated by Head of Academy Medical Services.
 - Ensure all medical emergency equipment is checked and placed in the designated position pitch side.
 - To carry out any pre-match assessments for Academy players, as and when required.
 - To implement required first aid/acute injury management during training as required in line with Academy and ITMMiF first aid trauma guidelines.
 - To assess and treat any injuries post game and ensure an appropriate acute injury management plan is in place for each injured player.
 - To communicate player injury, treatment details and follow up plan to the players' parent and coach.
 - To ensure a thorough and detailed handover is sent to the Head of Academy Medical Services upon completion of matches.
 - To complete and send medical notes to the Head of Academy Medical Services in line with HCPC and CSP guidelines within 24 hours of interventions.
-
- All employees may be required to undertake any other duties as may be reasonably requested.

Key requirements

- Minimum of BSc (Hons) in Physiotherapy or Sports Therapy.
- HCPC or SST accredited practitioner.
- Up to date Intermediate Trauma Medical Management in Football (ITMMiF) qualification.
- Excellent communications skills, both written and verbally.
- Confident, self-motivated and able to work under pressure.
- Ability to work collaboratively with players, parents and staff.
- Sound knowledge of manual therapy skills and sports rehabilitation.
- Sound knowledge of injury prevention methods and recovery strategies.
- Ability to educate, advise and motivate individuals.
- Preferably experience in an elite sports environment, especially with children and adolescents.
- Demonstrates up to date knowledge of the current evidence base and implement this within their practice.
- Candidates must be flexible and be willing to work hours as necessary to carry out their duties. This may include the covering matches and changing of venues at short notice.
- Candidate will need to perform duties at home match and away match venues, with the possibility of travel abroad, if necessary.
- A full UK drivers' licence and access to your own vehicle would be advantageous

OUFC is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. It is therefore mandatory the post holder has valid and appropriate DBS clearance, at all times.
