

# PETERBOROUGH UNITED FOOTBALL CLUB

www.theposh.com

**Peterborough United are looking for host families to provide a warm and welcoming environment to our apprentices for the 2022/23 season.**

Key information for providing accommodation for our apprentices:

- Accommodation lasts 10 months (a season), Sunday nights through to Saturday mornings.
- Payment is per player per night, made payable at the last day of each calendar month.
- Throughout the year Peterborough United will call and ask if you could have a trialist for the odd night and sometime their stay could be up to two weeks (this will be added onto your monthly payment)
- We require that players have three healthy meals (lunch is provided at the club Monday to Friday, we occasionally ask providers to supply a pack up if the players are travelling away on a long distance journey), life skills and discipline is maintained and they are made welcome and are kept safe.
- Accommodators are asked to provide single beds for the players, bedding, towels to use on your premises, wardrobes and anything else you feel will make the boys feel welcome.
- A member of Peterborough United staff will come out to you, perform a house check and talk through any questions you may have.
- We will ask you to sign an agreement between Peterborough United and yourselves, complete an FA DBS, undertake CPD and also complete relevant paperwork for us to keep on file.
- Peterborough United staff are always contactable with any urgent problems that you may have throughout the players stay.
- The club will complete meetings every three months with accommodators, meetings with players and spot check on players rooms.
- We ask that providers who host for other people throughout the year don't do this while Peterborough United players are in their care due to safeguarding.
