## Full Time Schoolboy Physio/Sports Therapist

### Job Purpose (main duties include but not limited to the following)

Reporting to the Lead Academy Physio/Academy, the successful candidate will be responsible for providing medical cover for schoolboy training, rehabilitation and matches with a particular focus on the under 9’s-16’s. To lead the rehabilitation and return to play of injured schoolboys at the Academy. Work closely with the Academy Sports Science department to deliver an injury prevention programme.

### Role Specific Duties

- To take responsibility for the co-ordination and communication surrounding Academy injuries, rehabilitation and return to play for schoolboy players. This will involve communication with the casual physiotherapists, schoolboy sports scientists, coaches and parents. Support will be offered with regular supervision from the Under 18’s Physiotherapist.

- Communicate closely with phase managers and where possible age group coaches with regard to injured players and the health of the teams.

- Produce and dispatch a weekly injury report.

- Provide medical cover for training sessions.

- Provide medical cover for FDP and YDP games – normally on Sundays, although sometimes this can change and flexibility is required. Midweek fixtures are more often during half term and pre-season.

- Communicate with and assist the development of the Academy Physiotherapy interns.

- Provide support for and monitor the development of Academy Players in a pastoral role.

- Highlight any safeguarding concerns and pass them on the head of safeguarding.

- Assist the Lead Academy Physio/Academy Physio in providing CPD for the casual physiotherapists.

- Keep CPD up to date.

- Provide cover for the Lead Academy Physio/Academy Physio where needed.

- Any additional duties as requested by Academy Management.
